Report of the ***“Orphanage Support Team of AICM”***...

December has come and gone... It was a great month... A few days before Christmas WPTV “News Channel Five” did a feature story on our group on the 6 o’clock & 11 o’clock news program... If I had known about this in advance I would have notified everyone so you would be sure to watch... Chandra Bill, one of the news anchorpersons on Channel Five News was responsible to setup the interview and pushed it with the executives at Channel Five News so it would be aired. She did such a great job and the interview was just great. Many people called Pastor Liberty and expressed an interest in the work our group is doing plus over \$1,500.00 in financial donations due to the Channel Five piece was received... Things are really happening with the ***“Orphanage Support Team”***. The Lord is truly working... We now have over 60 members in our ***“Orphanage Support Team”*** and including the donations due to the TV interview we raised during the month of December contributions of ***\$4,740.00***... That will make a total combined collection year-to-date since we started of ***\$18,067.50***... Yes, indeed, the Lord is doing some mighty work... Can you believe it, our little group has raised ***\$18,067.50*** during the past seven (7) months... Some may say that it’s hard to believe that a small group of people can raise the money needed to feed and care for 450 children in a far away country. But we are living proof that it can be done and nothing is impossible when you put your faith in God. Again, Kathleen and I can’t say enough thanks to all of you for your continued support during this past month as we continue to meet the needs of these children. We are so thankful... Also, it would be most helpful if you could take the time to write a note of thanks to WPTV for airing the ***“Orphanage Support Team”*** on 12/23/03... Or call them to express your thanks.
