April-2004

Report of the ***“Orphanage Support Team of AICM”***...

First the financial report for the month of March... We collected **\$1,830.00** during the month of March, which makes a total to date of **\$24,820.50** for the past 10 months. We want to thank all of you for your continued financial support for these children. It is truly a blessing to be a part of this ministry.

We would like to thank those several members that responded to last months call to join the board of directors of the ***“Orphanage Support Team”***. The time and place for the next board meeting will be announced shortly. If anyone else would like to join the board of directors please contact Pastor Liberty at 738-1798 it will truly be a blessing to us all.

A good idea I would like to share with our group is that one of our members gave me a beautiful leather purse and requested that I sell it on e-Bay and donate the proceeds to the ***“Orphanage Support Team”***. It worked out just great... If any of you have anything that appears to have some value no matter how small please let me know and I will place it on e-Bay. Please let me know...

The change over mentions last month to the Koko Children’s Village is in process and should be completed shortly. We have Brother Abraham Zarwulgbo and Deacon John K. Vah, our co-coordinators on the ground in Liberia, doing an audit of the orphanages that we are supporting. The last count was about 450 children but we believe we are now feeding over 500 children. We will give a complete report in the next newsletter.

We need continued financial support for pastors in Liberia. Due to the efforts of our group we now have monthly financial support for five (5) pastors in Liberia. Now these five pastors have the money needed to feed and care for their immediate families. What this really means is that each of these pastors does not have to worry about having enough food for his family. This will allow these pastors to devote their fulltime to their churches. It takes about \$40.00 per month to support a Pastor and his family for one month. If you wish to make a contribution to a Pastor please contact Pastor Liberty.

And yes, we are providing a scholarship program for 70 (soon to be 100) children that would not have a chance at securing an education otherwise.

We truly believe that the financial contribution of the ***“Orphanage Support Team”*** is making a difference in the lives of many students, Pastors, Churches and especially many orphaned children in Liberia.

If you have not sent your April contribution please do so as soon as possible. Also, please try to get others to join us... The ***“Orphanage Support Team”*** is feeding and caring for children. Please mail your contribution to:
