Report of the "Orphanage Support Team of AICM"...

The financial report for the month of April... The "Orphanage Support Team" has collected exactly \$2,500.00 during the month of April (how's that for round numbers), which makes a total to date of \$27,320.50 for the past 11 months. I want to thank all of you for your continued financial support for these children. It is truly a blessing to be a part of this ministry.

We began the "Orphanage Support Team" almost one year ago the end of this month and truly feel that it's a time of celebration for all the accomplishments that have taken place during this past year. Who can believe that a small group of people can get together to feed and support 400 to 500 orphaned children. It's unheard of what this group has done during this past year. We would like to thank all those members that responded to our call of financial support during this past year. We recall that during the first couple of months, May & June of last year, we were asking members to be involved financially for only one year. We are very proud of those members that met that calling of one year of service. God bless you and yours for your commitment to the "Orphanage Support Team" during this past year. Liberia is still a country in turmoil and we feel we are still called to feed and care for as many children as our funds will permit. We ask that you continue your involvement with the "Orphanage Support Team".

In order that we may celebrate our accomplishments during this past year we would like to have a general meeting with all the membership of the "Orphanage Support Team" on Sunday, May 23rd at 6:00PM. The location of the get together will be the clubhouse at Coronado Estates. Directions to Coronado Estates is below. Mark your calendars for this meeting and please bring a friend... Oh yes, if you like please bring a dessert that you can share. And please R.S.V.P. 561-731-5366...
